TALKED ABOUT IN WESTERLY

Elks Still Looking About for Quarters-George B. Utter to Attend Meeting of Republican State Central Committee-Christmas Gifts for Employes of Textile Company -Sudden Death of Lucy E. Maxson.

dified by the owners of the Champlin ago. block, John F, and George A. Champlin, that the premises must be vacated by January 1, would, if they com-plied with the notice, be homeless. It is planned to devote all the building above the stores, to accommodate the increasing telephone business. Of course, the Elks do not propose to vacate by the time specified, and perhaps not for several months thereafter. When the building was constructed the third floor was specified. structed, the third floor was specially arranged for the Elks and they have Kidney Pills, procured at N. D. Sevin been the tenants ever since, and their removal elsewhere means a big expense. They must move, however, as the owners of the building have so ordered, but not this week, as the law provides for just such a case as

In the meantime a committee of the order is busied in endeavoring to secure some suitable substitute for the Mr. and Mrs. Herbert T. Kenyon are well-equipped rooms in the Chaplin simply ask for a kidney remedy—get block. At the present time there is no available place in the town for the big organization. It is understood negotiations are pending for a lease of the top story of the Hinckley-Mitchell building, but it is doubtful of consumnation. The owners of the building occupied in part by the Willard store, may offered to add another story to e building, and rent it to the Elks, ut the project has its drawback, as a very long lease is required.

Now the committee is seriously considering the purchase of a real Elks'

home in Westerly, by purchasing some large private residence, that can be readily utilized for social purposes, and with ample room for the addition f a lodge room, bowling alleys, bil-ard room, etc. So, just at the regent time the matter is unsettled, ut the Elks propose to remain in present quarters just as long as the Westerly, where none are r law permits, and are not jarred by the plenty to eat on Christmas day. intement that the owners will take possession January 2, and commence the conversion of the lodge room into n telephone exchange.

central committee will be the guests on Monday next of Chairman Joseph P. Burlingame, at the Crown hotel, at Providence George Benjamin Utter Is the committeeman from Westerly. There will be discussion of the inheri-tence tax proposition which will be eral assembly, which will probably all for a tax on direct and collateral aberitances. The rate for direct axation will probably be from 1 to 5 per cent, while that in collateral a likely to be from 1 to 8 per cent. of the tax, and also endorse a mininum tax on business corporations, as well as a tax on savings deposits in National banks. Such deposits are now taxed by in state banks.

Local Laconics. There was more Christmas business the post office than ever. Christmas trade is reported fully as

SERV-US MINCE MEAT

he United States with the exception of spices and currants. The study of packing condensed mince meat has extended over a period of 100 years and today is as near its perfection as we can possibly conceive. The sanitation in the factories in which it is packed is beyond reproach as the competition today in these lines necessitates the guarding of the most minute detail of guarding of the most minute detail of the business. The apples used are of the best grade of New York State, where in our opinion is grown the best flavored apple known. The raisins used are of the best quality seeded variety. No expense is considered in procurring the very highest grade of spices, and sugar, as we all know, is always sugar, the different was in town on business. The long period of good times in Stafford Springs has made purchasesers more liberal than usual and they are spending freely. A small percentage of the trade ag usual went out of town but the great bulk of it has been done at the stores in Stafford Springs.

Attorney Leo J. Kelly of Rockville, was in town on business. Room 304, Thayer Building, is now open, Miss Farnham know, is always sugar, the different granulation rent flavors or different granulation required for different purposes. Every Arthur Rabinovitz of Trinity college. having returned this week particle of fruit or any other article is used in the manufacture of mince meat is thoroughly cleaned and hand-picked Also Manicuring wife cleaner by far than she could possibly take the same articles in her own kitchen, regardless of how clean DR.
